Villa La Escondida is perched on the oceanfront cliffs of Rincón de Careyes, halfway between Puerto Vallarta and Manzanillo on Mexico's pacific coast.

Owning a home in Careyes is to join a unique coastal community of international persuasions. Careyes has long been famous for its own architectural standards and the lifestyle associated with grand, open-plan homes and a year-round holiday atmosphere.

It is a retreat, an escape and a place of great natural beauty complemented by architecture that enhances, not competes with the rugged beauty of the setting.

Polo, fishing, coastal exploring, golf, entertaining and relaxing are the most common pastimes in Careyes.
